

Bartram Garden Club Scrapbook Section 27

(Also, see the FFGC Quilt at the end of this document.)

The general club meeting on November 9, 2023 featured a Make-And-Take design workshop session creating holiday centerpieces using “pumpkins” crafted from Slinky toys and fresh flowers. In addition, Slinky centerpieces were made using artificial plant material for two assisted living facilities on the the island. A total of twenty six centerpieces were delivered to Savannah Grand ALF and Fernandina Rehab & Nursing Center to adorn their dining room tables. Below are pictures of the project.

The picture above is a sample of the make-and-take fresh floral centerpieces created by the workshop attendees.

The pictures below are the centerpieces donated to the two ALFs.

FFGC Celebratory Quilt

2024 marks FFGC's 100th year. A Commemorative Centennial Quilt will be unveiled at the annual convention that year. Each state club has been asked to contribute a personalized square. Here is the 8" square our member Frances Ambrose embroidered to represent The Bartram Garden Club. Thank you, Frances!! We're excited to see the finished quilt which was unveiled at the State Convention in April.

The Bartram Garden Club quilt square done by Frances Ambrose.
