## BARTRAM GARDEN CLUB SWINGS INTO SPRING

The Bartram Garden Club is hosting two events this spring to help get your garden growing! The first is their March 8 meeting, held at 10 a.m. at the GFWC Woman's Club of Fernandina Beach, with a program entitled "Herbs," presented by Nassau County Extension Director Rebecca Jordi. Jordi will lead a discussion on which herbs thrive in Northeast Florida's soil and climate. In addition, a representative from Pelindaba Lavender's shop in downtown Fernandina will present the myriad ways lavender is used. Members and guests are invited to share a favorite herb recipe.

Join the group at 10 a.m. for a meet-and-greet, followed by the program at 10:30 a.m. In addition, the Club is also hosting a floral design program and lunch called "The Sisterhood of the Traveling Plants" on April 19 at 10 a.m., in conjunction with members of the Woman's Club, which will include lunch following the presentation. Tickets for the April 19 event are \$25 per person, and reservations are required. For more information, contact Beverly Williams at (404) 312-8530 or Sue Dwyer at (904) 277-3245. The Woman's Club is located at 201 Jean Lafitte Boulevard. For more information about the Bartram Garden Club, contact Kathleen at [ktlpilot@gmail.com](mailto:ktlpilot@gmail.com).

## ANNUAL GALA CELEBRATES THE LIFE OF TRINITY HOBLIT

On Saturday, March 17, the Trinity Love Hoblit Foundation presents its 2nd annual Gala at the Omni Amelia Island Plantation Resort at 6 p.m. The event includes cocktails, hors d'oeuvres, dinner, entertainment, and a live auction. Proceeds support and fund neuroscience research for stroke and aneurysm for pediatric and adult patients receiving treatment at Wolfson Children's Hospital and Baptist Neurological Institute.

Trinity Hoblit was born with a rare form of primordial dwarfism. Although small in stature, she had an enormous spirit that captured the hearts of everyone who came into contact with her. At age nine, Trinity was diagnosed with multiple brain aneurysms. She passed away on June 30, 2015 at age fourteen. Trinity was an advocate of organ donation, and with her family's support, she gave life to three donor recipients after her death. These three recipients are alive today as a result of Trinity and her family's support.

The Gala highlights music by multiple Grammy Award-winning pianist Dave Yaden, along with The Decades Band, featuring Isabella Martin, Anthony Llerandi, and Eden Rewa. Aaron P. Bean will be the auctioneer. Sponsorship and advertising opportunities are available. For more information or to purchase tickets (\$175 per person), visit [www.trinityhoblit.org](http://www.trinityhoblit.org).

## CUMMER AMELIA HOSTS ITS ANNUAL GARDEN WALK AT AMELIA ISLAND PLANTATION

On Friday, April 6, Cummer Amelia will host its 4th annual Garden Walk at Amelia Island Plantation from 1 to 4 p.m. Cummer Amelia is an affinity group for the Cummer Museum of Art and Gardens in Jacksonville, whose purpose is to support the museum's programs and bring awareness of fine art to the people of Nassau County. Cummer Amelia sponsors programs at the Cummer, and its main project is to send all third graders in Nassau County to the Cummer for a day of art enrichment. For most of the children, it is their first introduction to fine art, formal gardens, and museums in general.

The Garden Walk includes a walking tour of four beautiful home gardens, each with its own unique charm. Art demonstrations, live music, and refreshments will be provided along the tour route. In addition, a Garden Market located near The Shops at Omni Amelia Island Plantation Resort is available from 11 a.m. to 4 p.m. Transportation will be offered during the event.

Tickets purchased in advance are \$20 for Cummer Museum members and \$30 for non-members. Tickets purchased the day of the event are \$40. Group rates are available. For more information, contact Wendy Mayle at (904) 899-6007 or [wmayle@cummuseum.org](mailto:wmayle@cummuseum.org).
